

The 2010 Rocky Mountain

Christian Filmmakers Camp

Spend a week in beautiful Southwest Colorado for an intense time of hands-on filmmaker training like nothing you've ever experienced before! Learn from industry professional **Norton Rodriguez!** Norton will teach you not only the technical aspects of filmmaking but how to use the visual medium for the promotion of the Gospel and the furtherance of the Kingdom of God!

This camp is for students who want to learn more about cinematography and lighting, camera operating, director of photography or directing skills. Our small group environment insures you get loads of hands-on experience! Camp size is limited to only 12 students.

www.ChristianFilmmakersCamp.com

WHAT YOU WILL LEARN:

Students will be part of writing, producing, directing and shooting an actual short film. In the process you will learn:

- How to use a video camera as a storytelling tool
- Basic & Advanced Camera Techniques and shot composition
- Location scouting
- Considerations when shooting indoors and outdoors
- Working with Jibs and Dollies
- Lighting: Interior and Exterior, lighting for interviews, lighting a green screen
- Interaction between director and the director of photography
- And much more!

MEET YOUR INSTRUCTOR – NORTON RODRIGUEZ:

Norton taught our 2009 Christian Filmmakers Camp. He did a fantastic job and we are thrilled he has agreed to teach for us again! Norton has over 25 years of film and television production experience. He is a veteran Film and TV producer, director, and director of photography in the film and television industry / ministry in South Florida. He is a winner of three Emmy Awards from National Association of Television Arts and Sciences in production, editing and animation. Norton has worked for TV Networks

such as ABC, CBS, NBC, CNN, Univision, Telemundo, MGM Latin America, Gospel Music Channel, TBN, and many others.
